The Class Assembly of XII-D was held on 27 June 2024, on the topic “How School Fosters Human Excellence Through Compassion—3 Ways” in the jam packed assembly ground.

The Class Teacher of XII-D, Ms. Kumutha Rani, introduced the class and the topic. This was succeeded by the Prayer and the DAV Gaan. The Masters of the Ceremony, Sowmya, Thrinayani and Kevinash, joyously began the show. After a prelude to the assembly a few of the ways in which our School promotes Human Excellence through Compassion were explained.

Next, the thespians of XII-D enacted a witty play — a medley of comical imitations and colourful props. This drama highlighted the importance of compassion as a genuine human emotion, while also reminding the audience about compassion towards self, a type of compassion that is vastly overlooked. It was set in an alternate universe where a space was created to help a human navigate the complex emotions of life. The protagonist, Shreya’s funny soliloquies and the repeated misfires of her emotional-support robot (Sujith) had the audience cheering.

This was followed by a rap that was performed excellently by Shreya, complemented by Abdul’s beat boxing. The pulsing audience was in awe by the end of the symphony. The lost art of the written word in a contemporary form of music was much appreciated.

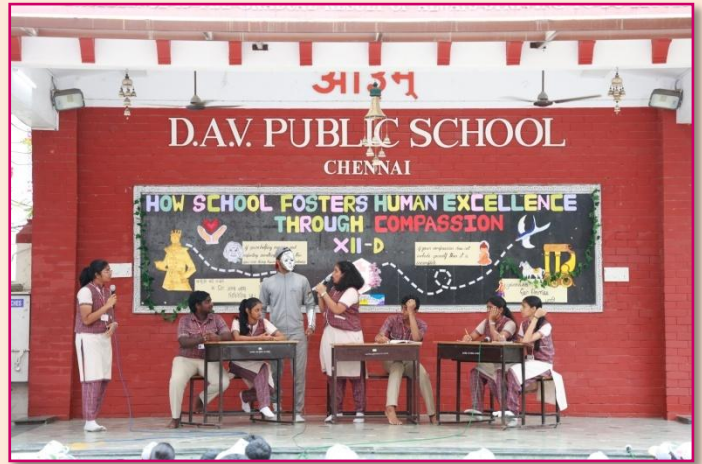

An entertaining dance served as a brilliant filler. The feet in tandem were much enjoyed and the gathering was invigorated. The first pulsing notes of the medley of songs had the audience delighted and cheering and singing along.

The class received a lot of positive feedback from MS. Sujatha, the parents, and the alumnus. The thought-provoking backdrop, the rustic invitation and the rap, received much praise. After the Vote of Thanks by Aruna, Class XII-D signed off with much pomp and splendour.

The adaptability, and teamwork along with learning at every step, helped in bringing to light every student’s ability, and created a deep bond between the members of the class.
