

**SPACE™**  
EMPOWERING LIFE

## **MAXIMUM PARTICIPATION IN INNOVATIVE EVENT**

Dear Ma'am/Sir,

Greetings of the Day!

Global Astronomy Month (GAM) was organized in April last year by the global organization Astronomers Without Borders (AWB) and brought forward to Schools by SPACE with an aim to unite enthusiasts worldwide in celebrating Astronomy following AWB's motto- One People, One Sky.

SPACE highly appreciates participation from schools in GAM, even in the hardest situation where schools reopened from COVID restrictions. We received a huge number of participation from schools and students from all over India associated with SPACE, who conducted various astronomy popularization activities all through the month of April 2022. We would like to thank all schools who have participated in GAM 2022 from the SPACE team.

We are happy to announce SPACE Awards for GAM 2022 to encourage participation and innovation:

### **MAXIMUM NUMBER OF EVENTS**

**D.A.V. PUBLIC SCHOOL,  
VELACHERY, CHENNAI**

### **MOST INNOVATIVE EVENT**

**D.A.V. PUBLIC SCHOOL,  
VELACHERY, CHENNAI**
