REPORT ON THE VIRTUAL CLASS ASSEMBLY
ACADEMIC YEAR 2021 – 2022

CLASS : VIII F

THEME : SCHOOL'S VISION – LIFE SKILLS

Topic : “How School Inculcates Decision Making among Students”

Class Teacher: Mrs. Sangeetha S

Date: 9th October, 2021 (Saturday)

Timing: 10:40 a.m. - 11:20 a.m.

The Virtual Class Assembly of class VIII F was held on 9th October 2021.

The Assembly began with the Divine Gayatri Mantra to create a positive vibration. It was followed by a unique and interesting screen setting of Channel Surfing. Three students were seen watching a TV programme. The first channel that was surfed was a Music Channel in which a mesmerizing song was rendered by Harinishree accompanied by Violin recital by Raghunandan.

The highlight of the day was a thought provoking skit which insisted on the importance of Teamwork, Time Management, Reasoning, Problem Solving and Creativity. The skit grabbed the attention of the viewers as it started with a meaningful recitation of Thirukural. The skit made the students realize how the organization of Class Assembly develops Team Work, Homework assignments instill Time Management, Management of academic activities during the Corona imbibes Problem Solving, Solution of Assertion and Reason questions develops reasoning and Preparation of Projects and Flow charts inculcate creativity among students.

The last programme of the assembly was Math O Poem presented by Ritheesh Mannem who aesthetically related mathematical concepts with real life.

The Vote of thanks that was delivered using Coding was an impressive culmination of the event.

“Maths - o – Thanks” - Poetry Recitation showcasing Creative Skills

Learning through Activities in Math Lab.

Developing Decision Making Skills in classrooms through Assertion and Reasoning

Learning Time Management in classroom by completing homework and Assessment on time
