Subject: Change of Examination/Practical Centre- reg

Madam/Sir,

It has come to the notice of the Board that because of Covid Pandemic, some students of classes-X and XII alongwith their families have shifted to some other city/country and therefore, they are unable to appear in the practical examination/theory examination from the school/examination centre from where the students are registered for the Boards examination.

Looking into the problem, CBSE has decided to permit the change in examination centre. The process for making a request in this regard would be as follows:-

- i) It is mandatory, that student concerned should have been issued Roll No. for the Examination by the CBSE.
- ii) Student concerned will make a request to the school requesting to change the theory examination centre/practical examination centre or both (as the case may be). While making the request student will also inform the school and the city (state), student would prefer to appear in the theory examination/practical.
- iii) Based on the request received by the school from the student, school will login into school account on the CBSE website and submit the details of the student i.e. Name of the student, Roll No., Change required in theory, Change required in Practical, Change required in both, required city/country etc.
- iv) The choice of city from where student wishes to appear in the examination, should be submitted carefully as no change will be allowed once request is submitted by the school.
- v) In case change for both theory examination centre and Practical is required, both will be changed to one city only. Two separate centres i.e. one for theory and one for practical will not be allowed.
- vi) Based on the request, CBSE will allot the examination centre in the same city or in neighboring city. Decision of the CBSE will be final.
- vii) During the conduct of practical examination, marks will be uploaded as per instructions by the school from where student has appeared in the Practical.
