

VEDA VYASA DAV PUBLIC SCHOOL
VIKAS PURI, NEW DELHI

Earth Day is an annual event celebrated on 22 April worldwide, various events are held to demonstrate support for Environmental Protection.

First celebrated in 1970, Earth Day celebrated 50 years. As we are aware that due to Pandemic COVID 19 the schools are closed, Veda Vyasa DAV Public School did its bit to mark the celebrations. Activities were initiated and children pledged to continue their efforts from home till they could create an impact around them. Nothing can shake the confidence, and nothing can deter the enthusiasm of young learners of participating in these activities.

Congratulations to all the participants!!
