## Our Vision

Is to be a Centre of Educational Excellence for all children, dedicated to produce responsible citizens and strong leaders of the future to provide a holistic, stimulating, friendly and safe environment to the students who would come out fully equipped with 21st century skills and enriched with vedic values - who would be able to enjoy the journey of life with a smile on their faces, spark in their eyes and wisdom in their thoughts and actions.

## Mission

The school stands committed to provide quality education through tested and accepted procedures and processes that aim at continual improvement. An education for human excellence which helps children grow into responsible citizens of their country who will build a caring and sharing society.

The school's curriculum woven with the strings of 'vedic knowledge and culture' and a host of co-curricular activities aims at building integrated and wholesome personalities, who are not only equipped with 21st century skills, but also enriched with a strong value system.

They are fearless, bold and confident, open and receptive, creative and imaginative, active and perceptive and yet kind, soft spoken and well behaved, disciplined and dedicated, hard working and sincere and above all cheerful and smiling.

Nursery Wing (Lkg & Ukg)

Sowing The Seeds Of Excellence.....

In the true spirit of our motto “Every Child Counts” we strive to elevate the learning experience of your child to a new level of understanding, thereby strengthening the knowledge base, ensuring the exploration and discovery in a fun-filled manner. An individualised approach helps nurture a love of learning, develop social skills and instills good habits among tiny tots.

## Special Assemblies

The daily morning assembly is not only training of heart & head but its a way to groom citizens of tomorrow. Special Assemblies on all national & religious festivals like Dussehra, Diwali, Hindi Diwas, English Day etc. are celebrated with much more fanfare and promotes a feeling of oneness in students and develops a respect for all religions and castes.

“Look at the sky. We are not alone The whole Universe is friendly to us & conspires only to give the best to those who dream and work.”

Happy Hours for Budding Learners

We feel that the primary purpose of education is to create happy and confident generation who can play a meaningful role in society. Teachers make the classrooms lively and interactive through various activities like storytelling, puppet shows, hands on activities and small lessons on power posing, yoga and meditation.

“ We love your smiles and ensure to keep them safe as safety doesn't happen by accident”

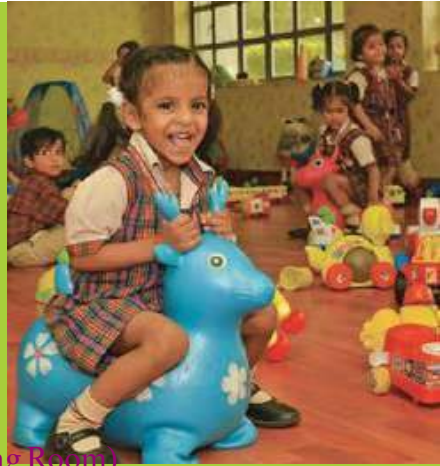

**Toy Room (Early Learning Room)**

“Being there for a child is the most noble thing a toy can do”

As your little bundle of joy takes the first step into the world of learning we provide them with the sense of happiness, recognition and fun while playing with the toys. The early learning room is well equipped with various educational toys and games to enchant the tiny tots. Good quality resources are provided and placed in low cupboards including wooden blocks, jigsaw, dressing up, shapes, play kitchen, sensory blocks, cars, happy land, play house, musical instruments, wooden and stuffed animals etc.

**Play Area For Tiny Tots**

The play area for our tiny tots is perhaps one of the most colourful areas of the campus. Equipped with swings & slides it is an area demarcated for the young learners of nursery wing. Under the supervision of teachers and lady guards it is an ideal place for students to have fun in the sun. Multi Action Play system, Merry Go Round, rock horses, sea-saws and toy cars are placed to recreate, refresh and have fun and frolic.

**Art & Craft Room**

“Art is as natural as sunshine and as vital as nourishment “

Children have un-imaginable curiosity and teachers have enormous capacity to turn such curiosity into reality. In their little Art Studio children explore their creativity & colour their lives with hues. It is a place where lovable children are exposed to different mediums for exploring their creative side and develop their aesthetic sense.

**Nursery Library**

Its never a random collection of books.....

The library is located centrally and is accessible with an attractive, pleasant and stimulating environment to cater the child's curiosity. It is well equipped with colourful, illustrative and attractive books. To lure them further into the magic of books, we have provided them comfortable seating arena so that reading is always a pleasure.

**Splash Pool**

A child friendly baby pool is the most refreshing activity in summers. The pool is maintained very well to take care of Hygiene and safety of children. It is a fun filled experience on one hand while on the other chisel out scientific concepts like liquid/solid, floating / sinking, cold /warm, heavy / light. Smart kids in their costumes add on to their awareness. The strict vigil & presence of faculty members make their splash extravaganza the most joyous & most awaited moment for the toddlers.

**Activity Hall.....  
For Learning By Doing**

This room is an extremely attractive fun zone where the little children come in small groups and experience various activities planned for them like storytelling, sacks, puppet show, role play, board games, playing dough etc. It is equipped with various educational toys and games to enchant the overall cognitive growth of the child so that they can play and socialize through a series of well coordinated activities.

Junior Wing (Primary Classes I To V)

The primary school programme encourages inquiry and exploring, and develops children's competence in various skills – reading, writing, listening, speaking, problem-solving, observation, measurement and communication technology. Each day is a new beginning and as each day unfolds, it brings with it a wave of freshness. A novice zeal and zest to learn, to explore is catered with utmost and upgraded infrastructure, endeavours and intellectualism of learned faculty.

Maths Lab

Mathematics lab is the best place where children can find a collection of games, puzzles, magic squares, geometric tools and other teaching and learning material that makes mathematics interesting to learn. The activities performed here help students to visualize, manipulate and reason. Students are provided with opportunity to make conjecture and test them, and to generalize observed patterns.

Infirmary  
"Health Comes First"

Medical supervision and assistance is provided to students under the care of professional doctors and nurses. The School clinic is equipped with all the basic medicines and equipments. All cases of injury and illness receive immediate medical attention. Regular medical camps are organised in the school campus. Hence, health is priority to us, we keep close watch on the student's mental and physical well being.

Music & Dance Room

"Music gives a soul to the universe, wings to the mind & flight to the imaginations"

Music and Dance are the art forms in which the heart manifests itself. Owing to the positive impact of music and dance in the development, we have made it an integral part of school curriculum. This encouragement helps their inherent talent bloom and stimulates the brain connections, develops learning skills and makes the transition easier. Music & Dance rooms with all the required facilities give students opportunity to enhance their skills. Experienced teachers train the students on instruments like Guitar, Congo, Violin, Sitar, Keyboard, Drums, Harmoniums, Tabla etc.

Smart Classes.....  
Going Beyond Books

Children are introduced with multiple learning styles with the help of audio-visual clips, presentations, science diagram and mathematics equation with technological support. Our skilled teachers provide guidance to each individual and put their best efforts to equip the students with right knowledge skills and talents to enable them to be strong and confident. The emphasis is on making every class room interesting and interactive.

## Senior Wing

“Every subject is an institution”

The School uses a variety of engaging teaching and learning methodologies that challenge and motivate learners to excel. We focus on nurturing their knowledge and skills essential for success in 21st century. Our teachers make use of project based learning, brainstorming, role play, interactive lab experiments, art integration in their curriculum, self & peer evaluation to make learning more effective and engaging. The school caters Science, Commerce and Humanities stream with a wide range of subject combinations and highly intellectual faculty.

Science Labs

“Without Laboratories men of science are soldiers without arms”

The institution has got an impressive building equipped with innovative extra ordinary laboratories with well furnished new equipments. The well designed and spacious science labs provide the right environment for an inspirational and effective learning environment. The Physics, Biology and Chemistry labs are worth appreciation and the best for imparting science knowledge to the aspiring learners. This a place where our students are given a chance to ‘discover’ before they are ‘told’. Students have liberty to make models and projects by availing lab facilities.

## Atal Tinkering Lab

With the aim to give substantial boost to the Innovation Ecosystem the school has established ATAL TINKERING LAB under ATAL INNOVATION MISSION. It focuses at nurturing and nourishing creativity, curiosity and imaginative capabilities in the young minds of the children and inculcate in them the skills of design mindset, computational thinking, adaptive learning, physical computing etc. Young children get a chance to work with tools and equipments for experiments and inventions related to science, electronics, robotics, open source micro - controller boards, sensors and 3D Printers and computers.

## Blooming Minds - English Language Lab

With the changing trends, the style and mechanism of teaching has also undergone a big change. The school understands this and provides a Language Lab to cater to the needs of the students. It is well equipped with Multimedia Control, Wireless Headsets and Microphones. The laboratory is designed to assist learners in acquiring and maintaining aural comprehension, oral & written proficiency and cultural awareness. It takes special care for every child individually. The electronic devices used in the lab help to stimulate eyes and ears to enhance the learning ability of the learner.

## Computer Lab

The school has provided well designed computer labs to students to abreast with new technical advancements. The lab is equipped with internet facilities and sufficient number of computers to give students individual access to it.

## Psychology Lab

The school offers psychology as one of the subjects in +2 level. The lab provides much needed room for experimentation and testing without which the study of psychology is incomplete. Collecting wide range of data using provided resources like Muller Lyer Apparatus, Memory apparatus etc. give students opportunity to enhance their psychological methods and analysis as well as experience complex psychological research.

## Library Chasing Dreams..... Exploring Ideas.....

The harmonious personality of the students, the ability of independent thinking and judgement and qualitative gearing up of students in all spheres and continual growth is highly accomplished through the books. The school has a well-stacked computerized library nicely furnished with remarkable and comfortable furniture and enough reading space.

## Accolades & Appraisals

The School is an achievers' Paradise. Deserving students are rewarded for their academic, co-curricular achievements and sports as well.

## Guidance & Counselling Cell

Our trust to get our students confident. Consistent and brimming with core values we provide a conducive, supportive and empathetic counselling & guidance cell. Which caters to academic, behavioural and habitual problems of the students.

## Canteen

The school canteen is a cozy corner where students get a variety of snacks made in a hygienic kitchen. The food stuff is rigidly supervised by a team of teachers to check the quality and hygiene. The students get mouth watering dishes and juices handy to chill out the summer. While tea/coffee and soups are hot beverages available at canteen to chill out in chilly winters.

## D.A.V.R.T.C

DAV Centre for Academic Excellence  
The School is hosting training workshop, seminars for teachers and students in all the subjects to keep them updated and more well versed.

## Sports

Let us all get prepared for life!

At school we find emotional, Social, spiritual, psychological and even physical overtones in the interactions taking place in the school daily. Here at DAV NOIDA sports form and integral part of school curriculum. Individual coaches for Volley ball, Basketball, Cricket, Taekwondo, Skating, Yoga, Baseball, Chess, Billiards along with vast fields, special courts & skating ring and updated & branded resources & gadgets has led DAV NOIDA to a rocking status. Numerous inter school, District Level, State Level and even National Level competitions have brought laurels, trophies & accolades. The undaunted efforts of the sports dept. have produced glorifying results.

It takes a little muscle;  
It takes a little grit,  
A little true ambition  
with a little bit of wit.

Lets Leave our imprints  
on the Sand of time!
