

Report of Sachet Club

Term-I (2016-17)

Sachet- "The Disaster management club" aims at preparing the members of the club for emergency situations like natural or man-made disasters .The members actively participated in learning and further spreading the awareness in the society.

In the first meeting of the club , Chief Secretary and Secretaries were selected by the club members.

The First term of sachet club was a great success as students showed a lot of enthusiasm and zeal in all the activites planned. Documentary on "Disasters and it's management", was shown as a part of introduction to the Club activites. Students participated in Intra-House Collage Making competition (Disaster management techniques) and came up with innovative ideas. They also attended a session on "Do's and Don'ts of heart attack and on "Fire and Fire extinguishers". A quiz was also conducted for the same.

In the SUPW Activity , "Muffin making" was conducted where students learnt to prepare muffins. The activites of First term were concluded with a session on "Earthquake and its precautions". Intra Club Rangoli Competition was held where the club achieved III position.

Secretaries and other students of the sachet club prepared the charts and also gave the club duties with great responsibility under the guidance of their club teachers.
