About NCERT

National Council of Educational Research and Training - (NCERT) - <https://ncert.nic.in>: was established in 1961 by the Government of India to aid and advise the Central and State Governments on policies and programmes for substantial development in school education. The major objectives of NCERT and its constituent units are to undertake, promote and coordinate research in areas related to school education; develop and disseminate innovative educational techniques and practices; collaborate and network with state educational departments, universities, NGOs and other educational institutions; act as a clearing house for ideas and information in matters related to school education; and act as a nodal agency for achieving the goals of Universalisation of Elementary Education.

About CyberPeace

CyberPeace - <https://cyberpeace.org/>: CyberPeace is an award-winning global civil society organisation, think tank of cybersecurity and policy experts with the vision of pioneering CyberPeace Initiatives to build collective resiliency against CyberCrimes & global threats of cyber warfare. CyberPeace is involved in Policy Advocacy, Research and Training related to all aspects of CyberPeace and CyberSecurity. Key areas of CyberPeace's work are in Technology Governance, Policy Review and Advocacy, Capacity and Capability creation and building through partnerships with various government organisations, academic institutions and civil society entities.

Testimonials

“

Building trust and safety is very important cyber space, which has no physical boundaries. Through eRaksha Competition we have been engaging and sensitising children and youth of the country to be responsible & ethical global netizens.

- Major Vineet Kumar
Founder & Global president, CyberPeace

“

I thank the CyberPeace for collaborating with NCERT to initiate the eRaksha Competition. The competition, can be instrumental in enhancing the creative expressions of the children, and learn about cyber safety and security in an integrated and wholistic manner.

- Dr. Amarendra Behera
Joint Director, CIET-NCERT

“

I have been following eRaksha since 2019. Over three years it has become 'People's Movement' like 'a 'Jan Andolan' focused towards empowering youth to be safe and responsible cyber citizens.

- MR S N Pradhan
Director General Narcotics Control Bureau (Former DG, NDRF)

“

eRaksha Competition has impacted over one lakh children and youth across the country since 2019. We hope to reach many more in 2023.

- Prof Indu Kumar
Head-DICT, NCERT

“

Cyber Crime is becoming a worldwide phenomenon and a global concern. I compliment CyberPeace Foundation for raising awareness about the issues by organising and celebrating eRaksha Competition.

- National Crime Records Bureau (NCRB)

“

Extremely delighted and honoured on winning the award in eRaksha competition, 2021. My sincere thanks to CyberPeace Foundation and NCERT for organising this type of competition for students & teachers, which motivate them to stay inspired, creative and safe netizens.

- VINEETA GARG
eRaksha Competition 2021 Winner
