Ref. No. : DLDAVMS/2020-2021/PPS-15

Dated : 3.2.2021

Dear Parents,

Conduct of Final Practicals/ASL/ Project work/Assessments – Class XI

The New Year has begun on an optimistic note. It has brought with it normalcy, cheer and joy. The year 2020 was plagued by disease, fear, trauma, isolation besides disruption of normal life. Unfortunately the debacle affected the grownups and children alike. Hence the earliest we embrace a normal schedule, the better it will be for all of us mentally, physically and emotionally.

While online teaching has compensated for classroom teaching, it is unable to fill up gaps facilitated by teaching in school. Internet and connectivity issues, absence of screen sharing, absenteeism, virtual indiscipline have all taken a toll on studies. The inability to distress through interactions in class or the lag in syllabuses has left many children in anxiety and dilemma.

In view of the above scenario, it is absolutely essential that students attend school to make up for the loss and gather confidence for the forthcoming exams. It will help uproot the fear and trauma of Covid from the minds of children and restore normalcy.

As per DOE guidelines school has decided to conduct Final Practicals/ASL/ Project work/Assessments for Class XI from February 5, 2021 onwards. You are advised to ensure that your ward appears for the same. The schedule for classes arranged in two batches has been shared with students by class teachers. However, it is attached herewith for your perusal.

All adequate safety measures and the new normal etiquettes of social distancing will be strictly observed.

You are requested to fill in the consent form given below and share it with the class teacher.

I seek your cooperation in the fulfillment of the above, undertaken in the best interest of your ward and to fill the learning gap.

Yours sincerely,

(Mrs. Anita Wadehra)
Principal
