Dear students

It has been my honour to teach and lead the school as a Principal, as I superannuate on 31 March 2022, I sincerely thank you for the love, respect, support and care that I have received from you all.

At this point, I want to implore you, my dear students, to always see yourselves as good ambassadors of the school and never allow selfish interests to blemish the integrity you have nurtured over the years in this great institution.

Think big thoughts and be optimistic in whatever you are doing. Do not look back. Just look forward and go ahead to see the world. Use your power to make others happy and not sad. Never surrender to any bad situation and keep a strong belief in yourself.

Grow up to be strong, prosperous, independent, and empowered men and women. You have got all the potential, and now you have to find the right platform for you to express your talent, and make your dreams come true.

Let me remind to you never to lose hope but look ahead to comebacks in life, have dreams, sing songs on blackest nights, be thankful, and rise above every setback that life can throw at you. Hope is not found in endless waiting, but taking initiative and acting in faith when even silver linings are not seen in the clouds. With faith, you will find a highway in the midst of the impossible. Let change keep happening but let goodness and love, and true friendship remain.

I wish you all, the best of luck for your future. Wherever you go, remember to carry the values, and morals taught to you here. Today when I bid you goodbye, I would like to dedicate this poem to all of you-

To believe is to know that
Every day is a new beginning.
It is to trust that miracles happen,
and dreams really do come true.

To believe is to find the strength
and courage that lies within us
When it's time to pick up
the pieces and begin again.

To believe is to know
that wonderful surprises are just
waiting to happen,
And all our hopes and dreams are within reach.
If only we believe.

Lots of love and blessings.

Thank you

(Mrs Anita Wadehra)
