

## PREFACE

I feel a sense of pride in placing before you the syllabus booklet for the session 2018-19 which has been designed according to the DAV Centre of Academic Excellence and CBSE guidelines.

- ♦ The syllabus is a foundational document and a critical piece of communication between the teacher and the students so it plays a significant role in engaging students and motivating them.
- ♦ The syllabus conveys that the teacher is willing to support the students effort to master the material practising humility, empathy and emotional rapport with the students.
- ♦ It will help the students' manage their time and get proficiency in the material. This way he/she will come up to the expectations of the teacher and will imbibe responsibility to get success in life.
- ♦ You are therefore requested to go through the contents of the syllabus and direct your ward to follow the pattern carefully.
- ♦ You may contact the teacher and the Principal if you find any problem. The syllabus is planned with great precision by counting the number of working days. It is divided Unit wise which will help the students revise the material side by side as it is being taught in the class.

I wish you all good luck and promise that no stone will be left unturned to help your ward march forward for a bright future.

**V.K. Kashiv**  
Principal

**Class : X**

<b>संचयन :</b>	पाठ - टोपी शुक्ला पाठ - सपनों के से दिन

प्री-बोर्ड में संपूर्ण पाठ्यक्रम रहेगा ।

वार्षिक परीक्षा में संपूर्ण पाठ्यक्रम रहेगा ।

## MATHS

### UNIT-1 (MAY)

Real Numbers  
Polynomials  
Statistics  
Probability

### UNIT-2 (August)

Pair of Linear equations in two variables  
Quadratic equation  
Arithmetic Progression  
Co-ordinate geometry  
Introduction to trigonometry  
Circles  
Constructions

**TERM - 1 : FULL SYLLABUS OF UT -1 & UT - 2**

### UNIT-3 (December)

Triangles  
Application of Trigonometry  
Area related to circle  
Surface area and volume

### PRE - BOARDS

Revision of Full Syllabus

**TERM - 2 : FULL SYLLABUS**

## SCIENCE

### BIOLOGY

**Unit Test - 1** Life Process  
**Unit Test - 2** How do organism reproduce  
Control and co-ordination  
Our Environment

**TERM - 1 : FULL SYLLABUS OF UT -1 & UT - 2**

**Unit Test - 3** Heredity and evolution  
Management of Natural Resources.  
**Pre Boards** Full Syllabus

### CHEMISTRY

**Unit Test - 1** Chemical Reaction & Equation  
**Unit Test - 2** Acid, Base and Salts  
Metals & Non-Metals

**TERM - 1 : FULL SYLLABUS OF UT -1 & UT - 2**

**Unit Test - 3** Carbon & its compounds  
Periodic Classification of elements  
**Pre Boards** Full Syllabus

### PHYSICS

**Unit Test - 1** Light  
Human Eye & Colorful World  
**Unit Test - 2** Sources of energy

**TERM - 1 : FULL SYLLABUS OF UT -1 & UT - 2**

**Unit Test - 3** Electricity, Electro-Magnetism  
**Pre Boards** Full Syllabus
