34	<p>The idea of Satyagraha emphasized the power of truth and the need to search for truth. It suggested that if the cause was true, if the struggle was against injustice, then physical force was not necessary to fight the oppressor. Without being aggressive, a satyagrahi could win the battle through non-violence. It is said of “passive resistance” that it is the weapon of the weak, but the power which is the subject of this article can be used only by the strong. This power is not passive resistance; indeed, it calls for intense activity. The movement in South Africa was not passive but active ...'Satyagraha is not physical force. A satyagrahi does not inflict pain on the adversary; he does not seek his destruction ... In the use of satyagraha, there is no ill will whatever. 'Satyagraha is pure soul force. Truth is the very substance of the soul. That is why this force is called satyagraha. The soul is informed with knowledge. In it burns the flame of love. ... Non-violence is the supremedharma ...' It is certain that India cannot rival Britain or Europe in force of arms. The British worship the war god and they can all of them become, as they are becoming, bearers of arms. The hundreds of millions in India can never carryarms. They have made the religion of non-violence their own-</p> <p>1. Gandhiji said, " passive resistance is not the weapon of the weak". Why?</p>	1
