CERTIFICATE OF SANITARY CONDITIONS AND DRINKING WATER FACIELITY

This is to certify that, DAV Public School, SECL, Bhatgaon Area has 15 toilets and 18 urinal of girls and 16 toilets and 18 urinals for boys studying in this school. All toilets and urinals are flush type located inside school building. They are being maintained by SECL from time to time, whereas the daily cleaning and maintenance is being looked after by regular sweepers appointed by DAV Public School.

There is provision of Rainwater Harvesting system in the school building.

There are two working boreholes in side school campus which provide clean drinking water for students. 5 water storage tanks each of capacity 2000 litres have been fitted on rooftop. The quality of water has been tested and it is good.

There are 4 water coolers fitted with water purifier to provide sufficient drinking water to the students and staff of school.
